Wellness

Wellness massage

A relaxing full-body massage that promotes overall well-being, reduces stress, and enhances mental and physical balance. Perfect for disconnecting and recharging.

Draining massage

A gentle, rhythmic massage designed to stimulate the lymphatic system, reduce water retention, and promote detoxification. Ideal for improving circulation and reducing swelling or bloating.

Targeted massage

A focused treatment that addresses specific tension points, muscular discomfort, or areas of chronic pain. This massage aims to relieve localized stress and restore mobility.

DURATION	PRICE
60 min	€95
90 min	€120
120 min	€155

Aquaflorès Premium treatments

A fully customized massage, available in two exclusive variations, created by Aquaflorès:

The Physiological©

Gentle physical touch with moderate energy balance

The PhysioQuantum©

Strong physical engagement with intense energy work.

This unique, tailor-made massage technique is a true cellular regeneration treatment. It blends various traditional healing practices, including Chinese medicine (Tuina) and Indian Ayurveda, as well as advanced techniques such as foot reflexology and shiatsu.

Each session is personalized based on a comprehensive body assessment, allowing for a precise response to your physiological, biomechanical, and energetic needs.

DURATION	PRICE
90 min	€330
120 min	€440
